

Parallel session for Atmospheric Observations
By WMO/GAW Activities and Research Projects

Monday, March 17 (Conference Room, 1F, Climate Change Research Hall)

9:30-10:00 Registration

Opening Session

10:00-10:05 **T. Fujitani (OCCCO, Japan)**, Welcome address

10:05-10:10 Logistic information by secretariat of the workshop

10:10-10:30 **S. Miyazaki (OCCCO, Japan)**, Outline of JACCO activities

10:30-11:00 Break

11:00-11:10 **All participants**, Brief self-introduction

WMO/GAW activities (Chair: H. Matsueda)

11:10-11:30 **Y. Tsutsumi (JMA, Japan)**, Global Analysis on Greenhouse Gases in JMA

11:30-11:50 **L. Zhou (CMA, China)**, WMO round-robin intercomparison, 2002-2007

11:50-12:10 **J. -S. Kim (KMA, Korea)**, GAW activities in Korea

12:10-14:00 Lunch

(Southern Ocean session starts from 13:00. People can join the session)

14:00-14:20 **L. Zhou (CMA, China)**, GAW activities in China

14:20-14:40 **K. Tsuboi (JMA, Japan)**, GAW activities in Japan

14:40-15:00 **A. Wada (JMA, Japan)**, Low CO₂ in Minamitorishima

15:00-15:20 **T. -Y. Goo (KMA, Korea)**, Variations of Greenhouse Gases at Korea GAW Center

15:20-15:40 Break

Other Measurement activities in Asia-Pacific countries (Chair: Y. Tsutsumi)

15:40-16:00 **M. Naja (ARIES, India)**, Atmospheric observation activities in India

16:00-16:20 **Y. Sawa (MRI, Japan)**, Asian outflow

16:20-16:40 **S. Murayama (AIST, Japan)**, New atmospheric Rn-222 analyzer

18:15-20:15 Air-Sea Interaction Party at “Tsukuba Sansui-Tei”

**Parallel session for Atmospheric Observations
By WMO/GAW Activities and Research Projects**

Tuesday, March 18 (Conference Room, 1F, Climate Change Research Hall)

Atmospheric Measurement over the Ocean (Chair Nojiri)

- 9:00-9:20 **H. Mukai (NIES, Japan) & Y. Zeng (CAS, China):** Atmospheric observation in Asia-Pacific region by stations and ships in NIES
- 9:20-9:40 **Marcel van der Schoot (CSIRO, Australia):** New high precision GHG observation networks in Asia-Australian and Southern Ocean regions
- 9:40-10:00 **K. Lassey (NIWA , New Zealand),** Data from atmospheric sampling programme by NIWA
- 10:00-10:20 **H. Nara (NIES, Japan),** CO measurement trials over the Pacific on board VOS ship
- 10:20-10:40 **H. Yamagishi (NIES, Japan),** O₂/N₂ measurement over the Pacific
- 10:40-11:40 Discussion and summary
-
- 11:40-13:00 Lunch

Wednesday, March 19 (Laboratories in CGER, NIES)

Laboratory Tour at NIES

9:00-11:00 **Conductor: T. Machida**
